2018-2019 SCHOOL YEAR IN REVIEW

VOLUME 1 ISSUE 1

OFFICIALLY RECOGNIZED

On January 15, Hope Christian Academy of Fulton County was officially recognized as a Non-Public, Non-Licensed school in the Commonwealth of PA. In order to receive that designation it was necessary to complete various forms, assure the Department of Education of the safety of our water source and that Todd township has granted us an Occupancy permit. Our Articles of Organization and our Statement of Faith have been approved by the PA Department of State, recognizing us as a Faith based religious organization. Our tax exempt status had been approved by the IRS some months before. Now, thanks to the recent recognition by the PA Department of Education, we have an important Administrative Unit Number which gives us access to services for our students, from the Intermediate Unit, like speech therapy. It also commits us to certain reporting obligations, regarding the number of students, our daily schedule, the subjects which are taught, and the clearances belonging to each of the staff members. Our Board members have also been identified.

With this recognition we are looking forward to moving ahead with our small school, becoming an integral part of the community, as we provide Bible-based education to elementary students and access to tutors for students in higher grades. We also enjoy the privilege of having home schooled students attend specific classes at Hope Christian Academy.

Acting Administrator

Attention HCA Supporters,
We are looking for HCA supporters who are willing to approach their church leaders about supporting HCA through their Missionary Fund or the Church Sponsor a Child Program. We would also like to request permission to address the congregation to promote HCA and the Individual Sponsor a Child Program.

For more information on how you can help promote HCA please call 717-375-5078.

Remember, the best way to share the news out about HCA, is by people sharing the news with others in person.

Are you that person?

SPONSOR A CHILD

It is our desire to provide quality Bible based education for any child who comes to us, regardless of financial concerns. Through prayerful consideration, we are pleased to announce our Sponsor A Child Program. This program was designed specifically for tuition assistance needs.

A gift to HCA's Sponsor A Child is a financial investment in the lives of students with eternal rewards.

If you are interested in our Sponsor A Child Program or know an individual, business or church who would like to make it possible for a child to attend HCA, please give them our contact information.

BUSINESS SPONSOR

Your business could sponsor a child or a family by paying all or part of the student's tuition fee, directly to HCA.

In addition to providing some portion of the tuition cost for individual students, learn about Pennsylvania's EITC (*Educational Improvement Tax Credit*) program.

CHURCH SPONSOR

Your church could sponsor a child or a family from your congregation by paying all or part of the student's tuition fee, directly to HCA.

If you do not have any students from your congregation that would like to attend HCA, you could offer to help with the tuition fees of a struggling HCA family.

You could consider supporting HCA monthly as a missionary.

Options:

- ♦ \$50
- ♦ \$100
- ♦ \$400 (1 Month Tuition)
- ♦ \$4000 (1 Year Tuition)
- ♦ Other Amounts

We look forward to making every student who wants to attend HCA a reality!
