

Why Hope Christian Academy?

What can Hope Christian Academy offer my family that the Public-School System or Homeschooling can't?

There are arguments to be had for both private and public education and homeschooling as well. It comes to the type of education that you want for your child. We ask that you consider not just the quality Bible based curriculum that we provide, but the environment, student relationships, staff relationships and the overall mental well-being of your child. Hope Christian Academy was formed and is governed by teachers, administrators, parents, grandparents and Pastors that wanted a better education for our children. People just like you and your family. Hope Christian Academy will complete the circle between Church, Family and School. Your child will be welcomed in an environment that will encourage and challenge them, while providing a Biblical foundation that separates us from the secular world view. Although we reinforce your family's Christian beliefs, we do not indoctrinate. Since our classroom sizes are small, your child will have the opportunity to develop socialization skills and true friendships that will last a lifetime. All of our staff and volunteers are screened through a strict clearance and interview process to insure that your child will be safe in our care.

We would love to welcome you into our school family and complete your circle of Church, Family and School.

SPONSORSHIP PROGRAM

The Sponsorship Programs of HCA allow interested persons to contribute toward the tuition of a specific student or supplement the income of one of our dedicated teachers (*who take little or no salary in an effort to see the success of HCA*). This may be done as a gift designated for the student or teacher. You may choose to receive regular reports on the student's progress and achievements at HCA.

IN HONOR OF & IN MEMORY OF

Another program is the In Honor Of & In Memory of Program in which you may contribute to the school in honor of or in memory of a loved one. Although flowers are beautiful, this is a lasting gift which benefits the children.

CHURCH MISSIONS PROGRAM

The Church Missions Program allows your church to give to the school on a regular basis any amount that it deems appropriate. Your church would receive a copy of the school newsletter quarterly to keep you abreast of the school's activities and achievements.

INDIVIDUAL MISSIONS PROGRAM

The individual Mission Program allows you, as an individual, to make regular contributions to the school and to receive the quarterly school newsletter.

If you would like to participate or would like additional information about HCA or any of these programs, please complete the form on the back of this brochure, and mail it to the school.

Thank You!
